David,

Thanks again for participating in the industrial user inspections last week. As a follow-up, could you please provide the following documents for Pacific Choice Seafood and Lost Coast Brewery?:

- Wastewater discharge permit
- Permit application
- Last three years of monitoring data
- Documentation of NOVs (or other enforcement actions) issued to the industrial user and the facility's responses to the enforcement actions (last three years)
- Most recent inspection report

I believe you mentioned that you had correspondence with Pacific Choice Seafood following the January 30th inspection regarding the piping under the dock and changes made in response to those findings. If you could please send along that correspondence, that would be helpful.

Please let me know if you have any questions.

Thank you!

Sirese

Hi Jim,

Thank you for the information and the heads up on the industrial user inspections. 8:00 am Wednesday, August 15th works fine for me. 4301 Hilfiker Lane is the correct address. I have compiled analytical data into spreadsheets to make that part of the review easier. Let me know if you would like any information in advance.

Hi David,

It was nice talking with you yesterday afternoon about the upcoming industrial user inspections that EPA plans to conduct in Eureka on Wednesday, August 15th. As we discussed, we will plan to inspect Lost Coast Brewery in the morning and Pacific Choice Seafood in the afternoon.

The EPA inspection team will be Sirese Jacobson from PG Environmental and me. Cathy Goodwin from the Regional Board will be joining us for the afternoon inspection at Pacific Choice Seafood. I have copied Sirese and Cathy on this message.

I was thinking that the we could meet at your office at 8:00 am on Wednesday morning. Would this time work for you? Is your address 4301 Hilfiker Lane?

If you need to reach me during the week of August 13th then call or text me on my cell, 415-730-8711.

Let me know if you have any questions and if you are ok with this plan. Thanks.

Jim
